

## Financial Literacy Boot Camp for Entrepreneurs

### Our Mission

To support and teach business owners and potential business owners the basics of financial literacy including budgeting, credit improvement and money management for themselves and their businesses.

### What we Teach

- Basic financial management, including budgeting and tracking of personal and business expenses
- Recordkeeping basics
- Credit improvement and assistance with resolving credit issues
- The small loan application process and documentation required to successfully apply

**For more information, contact JVS at (248) 233-4299 or visit the Financial Empowerment Center at the Oakland County Treasurer's office.**

Services funded by a generous grant from Huntington Bank.
