INDUSTRIAL SUBCONTRACTING SERVICES

COST-CUTTING EXPERIENCED HIGH-QUALITY

Since 1941, JVS has served Detroit-area industries with a wide variety of outsourcing capabilities. The JVS Work Center offers competitive prices, on-time delivery and outstanding quality control. Work is performed by individuals with disabilities who are closely supervised to ensure the highest quality.

The JVS Work Center provides a centralized location in Southfield with warehousing, shipping and receiving facilities. Our trained, supervised work crews can assist with small-to large-volume projects.

Our workers can handle a wide range of tasks – freeing you and your staff to focus on your business. And, because we employ people with disabilities, you have the satisfaction of knowing that when you do business with JVS, you're also giving back to your community.

EFFICIENT RELIABLE FLEXIBLE

ASSEMBLY

JVS has a large, flexible workforce in excess of 150 workers who specialize in assembly. Skilled supervisors train and monitor workers to maximize efficiency, accuracy and quality.

PACKAGING

JVS can meet the packaging specifications for your product and offers a variety of packaging options, including:

- Poly bagging
- Hand packing

MAILING

JVS can collate, label, sort and mail brochures, letters, sales promotions, etc. Strict supervision ensures accuracy and speed.

SORTING & SALVAGING

JVS workers can quickly and cost-effectively perform labor-intensive sorting and salvaging. JVS can also re-package, re-label, recycle or rework manufacturing errors.
