Our Mission

To help prepare individuals for a new or improved employment experience by providing comprehensive, relevant and high quality instruction in sought after computer software technologies for employment readiness. To support sister agencies as a technology resource.

Funders

We recognize and thank our generous funders:

Bank of America

Bookstock

Community Foundation of Greater Rochester Women's Fund

D. Dan and Betty Kahn Foundation

Key Bank

ORT America

Governing Bodies and Staff

Governance

JVS (Jewish Vocational Service and Community Workshop)

Leah Rosenbaum, President/CEO

Paul Blatt, Executive Vice President/COO

Aaron Chernow, Board Chair

Administrative

School Director: Karen Gutman, GCDF, BSP

Program Director: Lisa Bahm, MA

Program Administrator: Madhura Marathe

Instructors

Instructor: Madhura Marathe, Microsoft Office Suite

Instructor: Esther Sherizen- Microsoft Office Suite

School Calendar

The school operates 12 months a year, Monday – Friday with open lab on designated days per semester.

The school will be closed on the following national holidays:

- New Year's Day
- Martin Luther King's Birthday
- Memorial Day
- Independence Day
- Thanksgiving Day
- Christmas

The Hermelin ORT Resource Center is located within the Jewish Community Center and is a division of JVS, therefore, the center is also closed on the following Jewish holidays:

- Passover
- Shavuot
- Rosh Hashanah
- Yom Kippur
- Sukkot
- Shemini Atzeret
- Simchat Torah

Vacation Periods

Summer Break: July 17, 2017- September 4, 2017

Winter Break: December 18, 2017 - January 7, 2018

Program Offerings and Schedules

Better Job Opportunities (BJO)

Fee: \$720.00

A 12 week program offered to the unemployed and underemployed residents of the southeast Michigan area who are actively job searching and desire a comprehensive understanding of Microsoft Office Suite 2010. Students receive 72 hours of hands-on computer training in Word, Excel, PowerPoint, Access, Publisher, Internet and Outlook. The program meets for 24 – 3 hour class sessions, and includes job preparedness training and seminars. A basic working knowledge of the mouse and computer are prerequisites. Space is limited and an application is required for eligibility. Text book and materials fee of approximately \$50.00 may apply. Scholarships are available.

Office Computer Essentials (OCE)

Fee: \$210.00

A 21 hour course providing instruction in the basic functions of MS Word and Excel. The program meets for 7 – 3 hour class sessions. Our Microsoft Certified Instructors provide a comfortable classroom environment that fosters a thorough understanding of basic computer knowledge as well as the ability to navigate, create and edit documents in Word and Excel on state-of-the-art laptops. Text book and materials fee of approximately \$50.00 may apply. Scholarships are available.

Dates and locations of the programs offered each semester are subject to change.

Course Descriptions

Computer Basics 101

6 Student Clock Hours

This training explores what a computer is and how it works. Participants will learn computer terminology and concepts. Lessons include hardware, software, memory, file management, desktop and toolbars. Prerequisite: High school reading level, able to navigate using a mouse.

Microsoft Office Basics 102

3 Student Clock Hours

This lesson provides a working knowledge of MS Office. Lessons include navigation, creating and working with files, document views and terminology. Prerequisite: Computer Basics 101 or equivalent.

Microsoft Word 2010 Essentials101

9 Student Clock Hours

Understand the basics on designing professional documents. Lessons include formatting and editing text, manipulating text, page layouts, margins, alignment, font attributes, and tabs. Prerequisite: Basic knowledge of Windows 7, High school reading level, able to navigate using a mouse.

Microsoft Word 2010 Advanced 201

15 Student Clock Hours

Learn intermediate concepts of designing professional documents. Lessons include working with lists, columns, text boxes and objects. Create and modify tables, process mail merge and special fields. Prerequisite: Microsoft Word Essentials 101 or equivalent.

Microsoft Excel 2010 Essentials 101

9 Student Clock Hours

Learn the basics of designing workbooks and worksheets. Lessons include getting started, tabs and commands, working with cells, entering data, modifying rows and columns, borders and cell content. Prerequisite: Basic knowledge of Windows 7, High school reading level, able to navigate using a mouse.

Microsoft Excel 2010 Advanced201

15 Student Clock Hours

Learn advanced aspects of workbooks and worksheets. Lessons include printing and managing documents, headers and footers, creating formulas, applying cell and range names, specialized functions, conditional formatting and charts. Prerequisite: Microsoft Excel Essentials 101 or equivalent.

Microsoft PowerPoint 2010

6 Student Clock Hours

Learn how to create a new presentation by preparing slides, adding text and graphics. Lessons include arranging text, formatting and using placeholders, working with themes, arranging slides. Prerequisite: Knowledge of Windows 7, able to navigate using a mouse.

Microsoft Outlook 2010

3 Student Clock Hours

Learn the basics of setting up meetings, organizing calendars, email and contact lists. Lessons include appointments and events, email accounts, printing, address books and contact management. Prerequisite: Knowledge of Windows 7, able to navigate using a mouse.

Microsoft Publisher 2010

3 Student Clock Hours

Learn the basic skills needed to create business publications using templates and design tools. Lessons include page setup, text frames, correcting text and layout. Prerequisite: Knowledge of Windows 7, able to navigate using a mouse.

Microsoft Access 2010

3 Student Clock Hours

Learn the basics of working with a new database. Lessons include tabs, commands, creating reports and forms and entering data. Prerequisite: Knowledge of Windows 7, able to navigate using a mouse.

Digital Literacy Series (DLS)

Fee: \$10 each class or \$60 for series

Whether in business or at home, communications with colleagues, friends and family has become instant through the use of computer technology. Take full advantage of the tools available today to stay connected with those important people in your life. Our 1-hour mini classes are designed to provide fundamental knowledge to communicate more efficiently utilizing digital electronics. Laptop computers are provided for classes; however, students must provide their own iPhones and iPads. The Digital Literacy classes may be taken individually for \$10.00 each or as a series for \$60.00.

Digital Literacy Series (DLS) Course Descriptions

Camera Use Made Simple on the iPhone/iPad

Make the most of your camera with simple steps to take photos and to share with others.

File Organizing Solutions

Learn to create and use folders for file management.

Getting Started with Facebook

Set up your user profile and privacy settings so you can share what you want with the people you want.

Google Basics

Find out about Google software and services that are available for increased productivity and organization.

iPad/iPhone Fundamentals

Learn about the amazing features and great apps available for an iPad and iPhone.

Microsoft Office Excel 2010 for Beginners

Understand the basic functions and formulas for simple charting.

Microsoft Office Word 2010 for Beginners

Learn basic functions of everyday word processing and useful tips for file management.

Storage in the Cloud

Learn how to easily store and share digital photos and more in the Cloud.

Accounting Fundamentals and Software (AFS)

Fee: \$420.00

Learn how to quickly and effectively gain control of business finances with the knowledge of accounting fundamentals and with this powerful accounting software program. With this business tool, learn to track accounts payable and receivables, manage assets, control inventory, and generate estimates and reports applicable in a variety of industries and business situations. Book and materials fee of approximately \$80.00 will be charged. Scholarships are available.

Course Descriptions

Accounting Concepts

9 Student Clock Hours

This class provides a foundation to understand and interpret financial reports, balance sheets and bank statements. Learn accounting practices and terms. Discuss general ledger, payroll and invoicing business practices. Prerequisite: Basic knowledge of Microsoft Office, high school reading level, computer readiness.

QuickBooks Essentials 101

18 Student Clock Hours

Learn how to use the most popular accounting software for business. Lessons include the sales process, setting up customers, recording sales and receiving payments, managing expenses, bank reconciliations, reports and graphs. Prerequisite: Accounting Concepts or equivalent.

QuickBooks Advanced 201

18 Student Clock Hours

Learn more advanced tools to complete accounting tasks. Lessons include customizing settings and preferences, item and vendor lists, inventory, tracking billable hours, payroll, journal entries and year end closing. Prerequisite: QuickBooks Essentials 101.

Enrollment

Applications are accepted on a continuous basis. All applications must be received by the school five business days prior to the beginning of the program or class. The David B. Hermelin ORT Resource Center reserves the right to cancel or reschedule a class due to low enrollment.

Admissions Eligibility Requirements

David B. Hermelin ORT Resource Center learning opportunities are available to all who seek to learn. Admission is open to all persons 18 years of age or older. Others may be admitted provided they demonstrate the capacity and maturity to benefit from programs and classes offered by the School and they should contact the Program Administrator at the West Bloomfield, Michigan campus.

To be admitted, applicants must meet the general admission requirements of the School. Students are expected to demonstrate a compatibility with the mission, purposes and values of the school. In addition, the candidate must meet any special admission qualifications of a program before special program admission is complete.

Complete information on the application for admission is necessary for all students. Incomplete information may cause rejection of the application and false information may result in dismissal without refund of tuition or fees. Admission to the school does not guarantee admission to any or all programs of study.

In the context of the stated values of this institution, the following expectations for student eligibility are set forth:

- The student must demonstrate academic readiness.
- The student must be able to communicate at levels sufficient to complete all necessary class work and evidence through successful completion of class work the capacity to grow and improve.
- The student must demonstrate the motivation, commitment and desire to learn.
- The student will be 18 or older.
- The student will understand that the School does not provide transportation to and from its campuses.
- The student will be knowledgeable of and adhere to all requirements contained in the "Rules of Student Conduct".
- The student must have the ability to adhere to a learning task for the scheduled period of instruction assigned to each class in which the student is enrolled and to adhere to school policies regarding attendance.
- Applicants may be required to go through an interview process to be accepted in to certain programs. Scholarships may be available, based on eligibility.

Registration

General

Students must meet prerequisites for classes for which they intend to enroll.

The school reserves the right to enact an administrative drop of students from classes for which they do not meet the requirements.

Preliminary Registration Steps

Registration begins with both Web registration services, mail-in and walk-in submission. Campus registration is scheduled immediately preceding the beginning of semester classes. The school attempts to serve both continuing and new students at this time. Students already registered may adjust their schedules during this walk-in registration period.

Registration Requirements

Each student should obtain assistance from the Program Administrator who is available at the West Bloomfield campus.

Prerequisites

The student is responsible for satisfying all prerequisites and/or co-requisites of any selected class prior to attempting enrollment. Students who do not meet the prerequisite or requisite requirements after registration may be administratively withdrawn from their classes.

Tuition

The student must pay the full amount of tuition and fees by the payment deadline stated in the School Catalog. Students who qualify for financial assistance must obtain the appropriate documents from the Program Administrator at the West Bloomfield, Michigan campus.

Students who have failed to meet their financial obligation to the School will have a financial hold placed on their records to prevent registration and release of their transcript. These holds will be removed when all obligations are discharged.

Scholarships

Many scholarships are awarded to school students from contributions made to the school from public and private donations. The student may apply for these scholarships if academic performance at the school meets the scholarship's criteria. The Program Administrator can provide more information on available scholarships.

Policies

Attendance Policy

Students are expected to attend all classes unless other arrangements are made with the instructor.

Attendance is crucial to successful completion of classes. Students are expected to complete the work that was missed. Coming more than 30 minutes late to a class is considered tardy. Three unexcused tardiness constitutes one absence. Three unexcused absences are grounds for dismissal. Students who do not adhere to the policies regarding attendance may be dismissed from the program and may only be readmitted upon the Program Director's approval.

Rules of Student Conduct and Conditions for Probation or Dismissal

In order to maximize their learning potential, students have the following responsibilities:

- To come to every class prepared to listen, participate and learn
- To read the textbook(s) and material carefully
- To ask questions of the instructor when they are unclear
- To keep an open mind and try to comprehend what others are trying to convey
- To view their instructors as partners in their education
- To let the instructor and program administrator know if they cannot attend a class
- To arrive on time and complete each class
- To contact the school when an unavoidable emergency prevents you from attending a class
- To complete all work assignments
- To practice their new skills so they can keep up with the class. (Students needing extra assistance can use designated open lab hours)
- Students will respect their fellow students and instructors and treat them with dignity and courtesy
- To conduct themselves in an adult manner
- To refrain from bringing food or drinks into the classroom
- To use school equipment for class work only
- To limit cell phone usage during class to emergencies only and should otherwise be muted
- Recording of any class instruction is strictly prohibited.

Students who violate these conditions may be expelled and not readmitted.

Re-entrance Conditions

Approval from the Program Director is required.

Grading System

Tests are graded on a cumulative percentage point basis. Recognition will be awarded to students who pass a test with greater than 70%. If the student scores are less than 70 %, they have the opportunity to retake a new test within a given period of time. A student will receive a 'Certificate of Completion' upon achieving a passing cumulative score of 70 % or better.

Graduation Requirements and Types of Certificates or Diploma Issued

The student must complete all class work and take the respective test. Once this is done, a certificate of completion will be awarded to the student.

A certificate of completion is the only document awarded.

Credit for Previous Education and Training

No credit is issued for previous education or training.

Placement Assistance

Placement assistance is available. Students are encouraged to contact JVS – Business Career Services at (248) 233-4245 or www.jvsdet.org.

Refund Policy

Refunds are made to students only after the student files an official withdrawal from the program/class. Failure to attend class or notifying an instructor does not constitute an official withdrawal. To be an official withdrawal, the withdrawal form (Appendix a.) must be completed and signed by an authorized representative of the School. Refunds are mailed to the student at the current address on file. Students are responsible for maintaining a current mailing address on file with the School.

In the event of withdrawal occasioned by extenuating circumstances such as serious illness or a mandatory work-shift change, a student will be refunded 50% of the tuition ONLY. Documentation indicating that the circumstances of the withdrawal occurred prior to the last day to withdraw must be submitted during that session.

Please use the refund schedule below to assist you in determining the financial implications of dropping a class. Students who drop classes before the first day of the semester are granted a 100% refund.

Please note that the first day of a class week is always Monday and is also considered to be the first day of the class. For example, if a student drops a five week class which is taught on Tuesdays and Thursdays, on the Monday of the first week, the students will be granted a 75% refund. If you have any questions concerning how a refund will impact your account, please feel free to contact the Program Administrator at (248) 432-5411.

Failure to attend classes or notifying an instructor does not relieve you of your registration or financial obligation. Classes must be officially dropped in accordance with the following refund schedule to have tuition charges adjusted.

This refund schedule is subject to change without prior notification.

Refund schedule

Class Length	%75 refund Days	%50 refund Days	%25 refund Days	No refund on the
1 Week	N/A	N/A	N/A	1st day or later
2 Weeks	1-2	3	4	5th day or later
3 Weeks	1-2	3-4	5	6th day or later
4 Weeks	1-2	3-4	5-6	7th day or later
5 Weeks	1-3	4-5	6-7	8th day or later
6 Weeks	1-3	4-6	7-8	9th day or later
7 Weeks	1-3	4-6	7-9	10th day or later
8 Weeks	1-4	5-8	9-11	12th day or later
9 Weeks	1-4	5-8	9-12	13th day or later
10 Weeks	1-5	6-9	10-13	14th day or later
11 Weeks	1-5	6-10	11-15	16th day or later
12 Weeks	1-6	7-11	12-16	17th day or later
13 Weeks	1-6	7-12	13-17	18th day or later
14 Weeks	1-6	7-12	13-18	19th day or later
15 Weeks	1-7	8-14	15-21	22nd day or later

All tuition and fees paid by the applicant shall be refunded if the applicant is rejected by the school before enrollment. An application fee of not more than \$25.00 may be retained by the School if the applicant is denied. All tuition and fees paid by the applicant shall be refunded if requested within three business days after signing a contract with the School, as long as classes have not started. All refunds shall be returned within 30 days.

CLASSES TO BE DROPPED:

Course	Days	Semester

Student Signature

It is the student's responsibility to officially withdraw through the Program Administrator if he/she wishes to drop a class. Although instructors may request the withdrawal of a student from a class for absences, it is NOT the instructor's responsibility. Students, who never attend a class or stop attending a class at any time, MUST officially withdraw, according to deadlines stated in the school catalog, by contacting the Program Administrator either in person, by mail or email. **Withdrawal requests submitted by mail must be postmarked by the appropriate stated deadlines.** Students are responsible for verifying that their withdrawal has been received by the Program Administrator by the deadline.

Equipment Furnished

Laptops are provided by the school. Additional charges for textbooks and materials may apply.

Complaints

Complaints should be directed to the Instructor and then to the Program Director. Unresolved issues should be brought to the attention of the Director or Vice President. Students who wish to file a complaint with the State of Michigan may do so at www.michiganps.net.

Description of Facilities

The David B. Hermelin ORT Resource Center business office and campus location is off the lobby of the West Bloomfield Jewish Community Center. The Resource Center has a computer class room with 18 computer stations and a cyber café area where students can relax and interact with other students and teachers. The Café can be used as a study room outside of class hours and has Wi-Fi access.

The Jewish Community Center is located on the northwest corner of Maple Road & Drake Road in West Bloomfield, Michigan. Parking is provided at no charge.

The David B. Hermelin ORT Resource Center has a second classroom location inside the JVS Central Office at 29699 Southfield Road, Southfield, MI 48076 with 18 computer stations and ongoing training programs.
