

# RECHARGE!

## THE NEXT STAGE OF YOUR LIFE

*For those 50+*

Learn how to reinvent yourself by exploring your passions and strengths to create a meaningful and rewarding encore career.

This four-week career development program will guide you in the process of assessing your interests and life experiences.

### Weekly Topics Include:

- ✓ Reconnecting with and articulating your skills and passions
- ✓ Reviewing the local job market and your personal finances
- ✓ Renewing your professional image and your technical skills
- ✓ Restoring hope and vision in the midst of life transitions

\$40 materials fee
